ADITYA DAS

FIGMA DESIGNER (UI/UX)

Bhopal , MP | adityadas0217@gmail.com | 8839125240 | www.linkedin.com/in/aditya-das-2188b52a3

SUMMARY

A calm and creative mind seeking to build a respectful and meaningful career through design. Passionate about crafting thoughtful, user-centered interfaces where creativity meets clarity. I wish to grow in an environment that values honesty, learning, and innovation — creating designs that speak simplicity and purpose.

TECHNICAL SKILLS

Prototyping	Interaction Design	Accessibility
User Research	Visual Design	Responsive Design
Information Architecture	Sketching	HTML
CSS	JS	

PROJECTS

1. MakeMyTrip UI Redesign (Figma Project)   **Sept - 2025**
- Redesigned the user interface of MakeMyTrip to improve visual clarity and navigation flow.
- Focused on simplifying the booking process and enhancing the overall user journey.
- Created wireframes, color palette, and high-fidelity prototypes using Figma.

2. Online Books Booking Website (HTML, CSS & JavaScript)   **Oct - 2025**

A basic, clean website for browsing and booking books.
- Simple homepage with book listings and clean layout.
- Basic interactions using JavaScript for a smoother feel.
- Includes an invoice page that shows the selected book details clearly.
- Focused on neat design, easy navigation, and straightforward user flow.
- Helped me understand how a design becomes a working webpage.
